If you are traveling from West to East and nearing Loose Creek, please watch for signs. Recent new construction has bypassed the town of Loose Creek, so it can be a winding road for a short time. More than likely the GPS will want you to take a very rough country road (#403), due to our home address. However, you can avoid it if you turn your GPS off and watch for signs that will take you on a blacktop road all the way to our farm. See map. Call Mary at 573-897-2048 or Mike at 573-821-6235 if you need assistance.
